## MENTIONS ON ADMISSION TO A HIGHER YEAR OF STUDIES

(1) Students who completed full or part-time bachelor studies in state or private higher education institutions, in accredited or authorized specializations, can continue their studies in the "Vasile Goldiș" Western University of Arad, through competition of admission, to the same study program or study program in the same field, in the II-VI years of study if there are free places in the study program according to the maximum number of students who can be enrolled.

(2) Students in this category can benefit, based on the transferable credit system, from the recognition of the completed study periods and can be enrolled with a fee in the study year corresponding to the passed and recognized exams and distinction exams within the limit of the number of available places for the respective study year.

(3) The admission procedure is carried out as follows: the applicants are to submit in person the request for enrolment in higher year at the secretariate of the Faculty, located at 86 Liviu Rebreanu Street, Arad, Romania, or they are to submit their application via e-mail at the addresses:

Faculty of Medicine                      admitereansuperior@uvvg.ro

Faculty of Dentistry                      admitereansuperior@uvvg.ro

Faculty of Pharmacy                      admitereansuperior@uvvg.ro

Faculty of Legal Sciences                drept@uvvg.ro

Faculty Social Sciences, Humanities, and Physical Education and Sport  
socioumane.efs@uvvg.ro

Faculty of Economics, Computer Science and Engineering  
fseii@uvvg.ro

Until the 22<sup>nd</sup> of July 2024 or, within the remaining vacancies, during September 01<sup>st</sup> – 16<sup>th</sup>, 2024.

(4) After analyzing the curricula, the commissions for studies equivalence within the faculties will suggest the year of studies which the respective student takes the admission exam for without passing over the approved Numerus Clausus. The equivalence of the studies, the decision on the study year where the students may be enrolled, and the eventual exams of difference are carried on according to the provisions of the Regulation on students' professional activity and on ECTS Regulations.

(5) The alumni of the Bachelor academic study program of Dentistry may be admitted in the 3<sup>rd</sup> year of studies at Bachelor academic study program of Medicine while observing the approved Numerus Clausus and taking the related exams of difference. To pass in the second degree of studies (years of IV to VI), the admitted candidates have to pass all the exams related to the first degree of studies (years I-III), including the exams of difference set by the Commission of studies equivalence at the Faculty of Medicine.

(6) The alumni of the study program of Medicine may be admitted in the 3<sup>rd</sup> year of studies at the academic study program of Dentistry while observing the approved Numerus Clausus and by taking the related exams of difference. To pass in the second degree of studies (years of IV to VI), the

admitted candidates have to pass all the exams related to the first degree of studies (years I-III), including the exams of difference set by the Commission of studies equivalence at the Faculty of Dentistry.
