### METHODOLOGY

#### On the Organization and Development of the Admission at the Bachelor, Master, and Doctoral Degrees for the Academic Year of 2026 – 2027 at the "Vasile Goldiș" Western University of Arad

##### According to the following legal provisions:

- The Law on higher education no. 199/2023, with subsequent amendments;
- The Government Decision no. 412/ 2025 on the approval of the Nomenclature of fields and specialization/ academic study programs and the structure of the higher education institutions for the academic year of 2025-2026.
- The Government Decision no. 428/ 2025 on the accredited Master academic fields and study programs and on the Numerus Clausus of students to be enrolled in the academic year of 2025-2026;
- The Disposition no. 3693/2024 of February 1, 2024, on the approval of the Framework Methodology on the organization of the admission at short-term, Bachelor, Master and Doctoral Academic Studies;

- The Charter of the “Vasile Goldiș” Western University of Arad;

**The Senate of the “Vasile Goldiș” Western University of Arad  
Approves this**

**METHODOLOGY**

**CHAPTER I  
PRINCIPLES**

**Art. 1**

(1) Based on the university autonomy and undertaking public responsibility, the “Vasile Goldiș” Western University of Arad organizes an admission contest for each study program and academic degree, for the enrolment into a study program and the assessment of competencies.

(2) The “Vasile Goldiș” Western University of Arad is accredited by the Law no. 240/2002 as higher education institution, legal person of private law and public interest, part of the national education system, having in its structure accredited or provisory authorized programs, being entitled to organize admission competition.

(3) According to the law, in order to establish measures on equal opportunities for people with disabilities, ensuring, where appropriate, additional support adapted to the needs of people with disabilities, candidates falling into this category will address the Central Admission Commission before the established period for candidates’ registration, a written request, together with the proving medical documents. The “Vasile Goldiș” Western University of Arad provides additional support adapted to the needs of candidates with locomotor disabilities and supports their access to the institution.

(4) For the Bachelor and Master academic degrees, the admission is organized on fields, at the accredited or provisory authorized specializations/ study programs at full-time (FT).

(5) For the doctoral academic degree, admission is organized in the fields of Medicine, Biology, and Pharmacy, as approved according to the applicable law.

(6) The VGWU Numerus Clausus is distributed on faculties and study programs, according to the Numerus Clausus established by Government Decision, and it is to be posted on the university website.

(7) Establishing the study formations on study programs is to be carried out after the stated admitted and enrolled candidates express their options for study at our university, provided that the study formations could also work economically.

**Art. 2**

(1) The admission to academic studies is in Romanian, Englis or French, depending on the study program language of instruction.

(2) The verification and validation of the documents, certifying the language skills for the candidates to study programs taught in Romanian, submitting certificates or certifications of language for at least B1 level, according to the Common European Framework of Reference for Languages, issued by the accredited higher education institutions in Romania that organize the preparatory year of Romanian for foreigners, issued by the lectorates of Romanian language, literature, culture, and civilization at universities from abroad/ the Institute of Romanian Language or the Romanian

Cultural Institute, is carried out by a commission formed of specialized teaching staff from the Faculty of Social Sciences, Humanities, and Physical Education and Sport and approved by the University Senate.

**(3)** There are exempted from the obligation to submit the certificate of graduation of the initiation course, respectively of the preparatory year upon enrolment to study programs taught in Romanian, the candidates submitting Romanian documents of studies (diplomas and certificates) or documents of studies, school transcripts certifying at least 4 consecutive years studied in Romanian in a school unit in the Romanian national system.

**(4)** The verification of Romanian language skills for candidates who do not submit certificates or certifications of language proficiency of minimum level B1, issued by accredited higher education institutions in Romania, which organize the preparatory year of Romanian language for foreign citizens, by the lecturers of Romanian language, literature, culture and civilization in universities abroad/the Romanian Language Institute or the Romanian Cultural Institute, according to the Common European Framework of Reference for Languages, is done by taking a language test, which is organized according to the admission calendar, within the Faculty of Social Sciences, Humanities and Physical Education and Sport. Passing the language test will be confirmed by a Certificate of Proficiency which constitutes a mandatory and eliminatory requirement for registration at the admission competition.

**(5)** For students who took their studies in an international language or in a language of the national minorities, the certification of the oral communication language skills in Romanian is carried out with the Bacalaureate diploma.

**(6)** The verification and validation of the documents, certifying the language skills for the candidates to study programs taught in international languages (English, French) and who submit, upon registration, documents of studies, issued by Romanian or foreign education institutions, is carried out by a commission formed of specialized teaching staff from the Faculty of Social Sciences, Humanities, and Physical Education and Sport approved by the University Senate.

**(7)** For the studies carried out in English, the “Vasile Goldis” Western University requires for at least of a B1 level of English knowledge, acknowledging and validating the following exams: PET (score 140-170), FCE, CAE, CPE, BEC, IELTS (at least 4.5), Toefl Ibt (score: 57-86), TOEIC, TRINITY ISE (ISE-1), ECL, BCCE, ECCE, ALCE, ECPE, Ascentis Anglia ESOL, LRN Entry Level Certificate in ESOL International (Entry 3), LRN Entry Level 1 Certificate in ESOL International, LRN Entry Level 2 Certificate in ESOL International, LRN Entry Level 3 Certificate in ESOL International, IELCA, ESOL International ALL Modes (Entry 3), ESOL International ALL Modes Level 1 B2 (GCSE), ESOL International ALL Modes Level 2 C1 (GCSE), ESOL International ALL Modes Level 3 C2 (GCE A Level), Language Cert in International English for Speakers of Other Languages (IESOL), LCCI, ELSA, Pearson Edexcel Certificate in ESOL International Entry 3 (B1 International Certificate) I, Level 1 Pearson LCCI English for Business, PTE (43-58), FEDE, OXFORD TEST OF ENGLISH (score: 81-110), APTIS ESOL General (B1), APTIS ESOL Advanced (B1), APTIS ESOL for Teens (B1), Linguaskill (140-159 B1), NOCN Entry Level Certificate in ESOL International (Entry 3) - B1 (Pass), Oxford Test of English Advanced (B2 111-140). Additional information on the recognized language certificates can be found in the Minister of Education and Research Disposition no. 6815 of December 11, 2025, for modifying the annex no. 2 of the Disposition of the Minister of Education, Research, Youth and Sports no. 5219/ 2010 on the recognition and equivalence of the results awarded at the internationally recognized exams for certifying the

language skills in foreign languages and at European recognized exams for certifying the digital skills in an international language studied during the high school education, respectively of assessing the digital skills at the Bacalaureate exam.

<https://legislatie.just.ro/Public/Detalii/Document/250387>. The above-mentioned certificates have to cover all four language skills (comprehension of the heard text – listening, comprehension of the read text – reading, production of written messages – writing, production of oral messages – speaking).

**(8)** For the studies carried out in French, the “Vasile Goldis” Western University requires for at least of a B1 level of French knowledge, acknowledging and validating the following exams: DELF, DALF, TCF, TEF, ECL, FEDE. Additional information on the recognized language certificates can be found in the Disposition no. 6063/ 2020 of the Ministry of Education and Research which can be studied at the address [https://www.edu.ro/sites/default/files/\\_fisiere/Legislatie/2020/OMEC\\_6063.pdf](https://www.edu.ro/sites/default/files/_fisiere/Legislatie/2020/OMEC_6063.pdf).

**(9)** The date of issuing of the above-mentioned certificates must not be older than two years.

**(10)** Verification of English and French language skills for candidates who do not submit certificates or attestations of at least B1 language proficiency in accordance with the Common European Framework of Reference for Languages is carried out according to the admission schedule, by taking an online language test, which is organized in the form of a multiple choice test and an oral test, by the Faculty of Social Sciences, Humanities and Physical Education and Sports. Passing the language test will be confirmed by a proving certificate which constitutes a mandatory and eliminatory requirement for the registration at the admission competition.

**(11)** The confirmation of the place at academic study programs instructed in Romanian, in the field of Health, draws in implicitly the obligation for the admitted foreign (EU or third EU) candidate to participate in a medical terminology language testing in Romanian, the test being held at the Faculty of Social Sciences, Humanities and Physical Education and Sport of the “Vasile Goldis” Western University of Arad, the candidates who completed the preparatory year of Romanian at UVVG or who took the language testing at UVVG being exempted from it.

**(12)** The minimal grade for passing this exam is 7.

**(13)** If the awarded grade is lower than 7, the admitted candidate has to take an intensive extracurricular course of 3 months, against a fee, course to be concluded with a test where the lowest grade is 7. If, even after this test, the admitted candidates do not obtain at least 7, they have to frequent a language module under the same terms as the previous one.

**(14)** There are exempted from this test the persons coming from countries where the State official language is the language of instruction for the courses and who prove with school documents, for taking the courses in that language.

**(15)** At the end of the third year of studies, students enrolled in university study programs in the field of Health, instructed in a foreign language (English, French), take an eliminatory Romanian language test, the continuation of studies being required by passing this test, considering that, once the clinical cycle begins, students must communicate with patients in Romanian.

### **Art. 3**

**(1)** The “Vasile Goldis” Western University of Arad shall inform candidates, by posting at its headquarters and by publishing on its own website information regarding:

- a)** its own admission regulations;
- b)** the annual schooling offer;
- c)** the terms and documents required for registration;

- d) the periods of the admission sessions;
- e) the manner of conducting the competition and the competition tests;
- f) the facilities or special conditions (including for people with disabilities);
- g) the registration fees for organizing and conducting the admission;
- h) information regarding the processing of personal data by the UVVG
- i) other useful information for candidates.

(2) The periods of the admission sessions, the types of tests and the competition tests shall be made public, at least 6 months before the admission competition is held, by posting it at the headquarters of the “Vasile Goldiș” Western University of Arad and by publishing it on its own website.

(3) The management of the “Vasile Goldiș” Western University of Arad, based on university autonomy and undertaking public responsibility, is in charge with organizing and conducting the admission competition.

(4) After admission to the university, during the years of academic training, students must know and comply with the legal and internal institutional regulations in force.

(5) After passing the years of undergraduate studies and passing the Bachelor's final exam, graduates are awarded a bachelor's degree/engineer's degree/master's degree/ doctoral degree diploma. This document contains all the information needed to describe the completed study program, including the type of education followed and the acquired title.

#### **Art. 4**

The admission to bachelor's degree and master's degree studies is organized in two sessions, before the beginning of the academic year, respectively in July and September 2026. For third EU countries candidates, two admission sessions are organized, early admission in June, and a second admission session in July. The admission for the doctoral academic studies is organized in one session, in September 2026.

## **CHAPTER II CANDIDATES TO ADMISSION**

#### **Art. 5**

(1) Only the graduates with Baccalaureate diploma awarded in Romania or with equivalent certification, regardless on the year of high school graduation, are entitled to take the admission competition for the Bachelor academic studies.

(2) Only graduates with Bachelor diploma awarded in Romania or with equivalent certification, regardless on the year of bachelor's degree graduation, are entitled to take the admission competition for the Master academic studies. For the Master academic studies having the duration of studies longer than 3 semesters (90 credit units), there may apply only the graduates of Bachelor academic study programs lasting at least 4 years (240 credit units).

#### **Art. 6**

The faculties will draw up their own regulations for organizing and conducting the admission exam, according to the profile and specifics of the study programs in their structure.

#### **Art. 7**

(1) The citizens of the European Union Member States, of the states of European Economic Area and of the Swiss Confederation, as well as British citizens and their family members, as

beneficiaries of the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community 2019/C 384 I/01 may participate in the admission to all academic degrees under the same terms stipulated by law for the Romanian citizens, including those related to the tuition fees.

(2) The third EU countries citizens may run for the vacancies approved by the University Senate for the accredited or provisory authorized Bachelor, Master or doctoral academic studies.

## **Art. 8**

### **(1) Equivalence of the Baccalaureate diploma awarded abroad.**

The file for the recognition and/or equivalence of academic documents (Baccalaureate diploma) awarded to Romanian citizens, citizens of the Member States of the European Union, the European Economic Area and the Swiss Confederation, as well as to British citizens and their family members, as beneficiaries of the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community 2019/C 384 I/01, as well as categories of persons who benefit, according to the law, from equal treatment with Romanian citizens in terms of access to education, vocational training and the labor market, who request to continue their studies in Romania, includes the following documents, for the Baccalaureate diploma:

(a) application;

(b) high school diploma, in copy, if the document of studies is issued in Romanian/ English/ French/ Spanish/ Italian, or in copy and legalized translation into Romanian for other foreign languages;

(c) transcript of records for the last 2 years of studies, showing the studied subjects and the obtained grades, in copy, if the academic record is issued in Romanian/ English/ French/ Spanish/ Italian, or in copy and legalized translation into Romanian for other foreign languages;

(d) identity document, in copy, and proof of name change (if applicable), in copy and legalized translation;

(e) other documents, if applicable.

### **(2) Authentication of educational documents subject to recognition/equivalence.**

(a) For diplomas from the Republic of Moldova, apostille or legalization is not required. Diplomas issued before 2008 shall be accompanied by the Certificate of Authenticity issued by the Ministry of Education of the Republic of Moldova, in original;

(b) For states that are parties to the Hague Apostille Convention, educational documents subject to equivalence/recognition must be endorsed with the Hague Apostille by the competent authorities of the issuing countries; educational documents from Italy, Greece, Spain, Portugal and Cyprus shall be endorsed with the Hague Convention Apostille, other EU Member States being exempted;

(c) for states that are not parties to the Hague Apostille Convention, educational documents shall be legalized or accompanied by the Certificate of Authenticity issued by the competent authorities of the country of origin;

(d) The over-legalization is applied by the Ministry of Foreign Affairs of the issuing country, the Romanian Embassy/Consular Office in the respective country and the Ministry of Foreign Affairs of Romania or by the Ministry of Foreign Affairs of the issuing country and its Embassy/Consular Office in Romania and the Ministry of Foreign Affairs of Romania; for countries where there are no diplomatic missions of Romania or which do not have diplomatic missions in Romania, the study documents will be endorsed by the Ministry of Education and the Ministry of Foreign Affairs of the issuing country;

**(e)** The exemption from over-legalization is permitted under the law, an international treaty to which Romania is a party or on the basis of reciprocity.

The evaluation of the documents and the issuance of the decision are carried out by the CNRED and are carried out within a maximum period of 30 working days from the date of registration of the complete file. This period may be extended accordingly in the event of additional checks or consultation with external experts.

Files for continuing studies in Romania are submitted to VGWU, to the county school inspectorates or to the Ministry of Education and Research Registry, directly or through postal services.

#### **Art. 9**

**(1)** A candidate may be admitted and enrolled as a student simultaneously in at most two study programs, regardless of the study degree and on the education institutions delivering them, except for the Bachelor academic study programs in the field of Health with 4, 5 or 6 years of studies.

**(2)** The University provides the possibility of candidates' examination by an alternate method when they suffer of temporary or permanent disability, medically certified, which renders impossible the presentation of the acquired knowledge in the preset way, so that the alternate method does not limit the achievement of the examination standards.

**a)** In accordance with the relevant legislation, the admissions Commissions will take measures to ensure equal opportunities for people with disabilities enrolled in the admissions competition, ensuring, where necessary, additional support adapted to people with disabilities in order to access and take the admission tests;

**b)** Based on the supporting medical documents (decision on classification as disabled and documents proving the type of disability), candidates - people with disabilities, will request in writing to the Admissions Commission, additional support depending on the type of disability, which will ensure participation and taking the admission tests in optimal conditions;

**c)** For candidates with motor impairments, the Faculties will organize the tests either in a building, respectively a room, which ensures accessibility for people with motor impairments, or online in the form of an oral exam;

**d)** For candidates with visual impairments, the Faculties will organize the tests in an oral format, ensuring the optimal time necessary adapted to the needs of the person with disabilities. If a written answer is required for the admission test, the visually impaired candidate will dictate the answer to a person designated by the Commission by drawing lots who will transcribe the candidate's answer in full;

**e)** For candidates who cannot draft the written paper for the admission test except under limited conditions or cannot dictate the content of the topic to another person due to multiple associated deficiencies or due to other reasons related to the way the exam is conducted, the examination time will be increased in such a way as to ensure that all the topics included in the exam test are covered;

**f)** For candidates who are under medical treatment that needs to be administered within the time allotted for the admission tests, they will be provided with the necessary conditions to carry out the respective treatment during the exam;

**g)** For candidates with visual impairments, the faculties will organize the oral format of the tests, ensuring the optimal time needed adapted to the needs of the person with disabilities. If a written answer is required for the admission test, the visually impaired candidate will dictate the answer to a person designated by the commission by drawing lots who will transcribe the candidate's answer in full.

(3) The candidates to Bachelor's academic studies who have obtained, during their high school studies, distinctions (I, II, III prizes, at international school Olympiads recognized by the Ministry of Education and Research and/or I prize at national Olympiads, financed by the Ministry of Education and Research), benefit from the right to enroll, without taking the admission competition, for places with a fee.

#### **Art. 10**

(1) Students who have completed full or partial Bachelor's studies at state or private higher education institutions, in accredited or authorized study programs, may continue their studies at the "Vasile Goldiș" Western University of Arad, through an admission competition, in the same study program or in a study program in the same field, with the exception of study programs in the field of Health, in the II-IV years of study if there are free places within the study program according to the maximum number of students who can be enrolled. In the field of Health, after admission, students who applied for re-enrolment as former University students who did not complete their studies for various reasons, may follow up and continue their studies in a higher year.

(2) Students in this category may benefit, based on the transferable credits system, from the recognition of study periods completed and may be enrolled in a fee-paying regime in the study year corresponding to the exams passed and recognized and the difference exams within the limit of the number of places available for the respective study year.

(3) The admission procedure is conducted as follows: the applicants are to submit in person the request for enrolment in higher year at the secretariate of the Faculty, located at 86 Liviu Rebreanu Street, Arad until July 22, 2026, or, within the available vacancies, during September 01 – September 15, 2026, they are to submit their application via e-mail at the addresses:

Faculty of Juridical Sciences

drept@uvvg.ro

Faculty of Social Sciences, Humanities, and Physical Education and Sport

socioumane.efs@uvvg.ro

Faculty of Economics, Computer Science and Engineering

fseii@uvvg.ro

(4) After analyzing the curricula, the commissions for studies equivalence within the faculties will suggest the year of studies which the respective student takes the admission exam for without passing over the approved Numerus Clausus. The equivalence of the studies, the decision on the study year where the students may be enrolled, and the eventual exams of difference are carried on according to the provisions of the Regulation on students' professional activity and on ECTS Regulations.

### **CHAPTER III REQUIREMENTS AND THE PROCEDURE OF REGISTRATION TO THE ADMISSION COMPETITION**

#### **Art. 11**

(1) Within the "Vasile Goldiș" Western University of Arad, **the registration, lining up and ranking generation stage is conducted** through the **ON-LINE ADMISSION** module, integrated into the SmartUMS software.

(2) Initiating the admission process by candidates involves **accessing the on-line Admission** module, an integral part of the SmartUMS version implemented within the "Vasile Goldiș" Western

University of Arad. The admission commissions organized at the level of each structure involved in the admission process will provide continuous technical **consultancy** and support to candidates who request this. The technical equipment of the admission commissions is provided by the IT Office.

(3) The Online Admission Module can be accessed from any desktop/laptop/tablet/mobile device that has access to the Internet and an updated browser (Google Chrome recommended) at the web address <https://admitereonline.uvvg.ro/>

(4) The University offers candidates the opportunity to register online and from the Permanent Information and Admission Center as well as from the University's extension offices.

(5) It should be noted that, if there are not enough admitted candidates for the respective specialization (20 for bachelor's studies, 20 for the master's program) to form a study group, it cannot function, candidates will be able to opt for another study program in the same field, at the same faculty, according to the options declared in the registration form. The application also includes the candidate's declaration regarding the consent to the collection and processing of personal data, the motivation for their processing, as well as the rights of candidates in the event of the processing of this data.

(6) The **online registration procedure** is described in the ***Procedure regarding the process of organizing and conducting the admission competition for bachelor's and master's degrees in the online system*** and exemplified in the ***Candidate's Guide for online registration*** and includes the following steps:

**I. Creating an access account in the application** by entering personal authentication elements (last name, first name and valid email address and transcribing the *Captcha* code, alphanumeric variant to avoid automatic creation of accounts for malicious purposes. On the entered email address, the candidate will receive a link from the application that validates access to the account. On this email address, the candidate will subsequently receive other information regarding the status of the file.

Only users who have created an account on the online admission platform will be able to access and submit files online.

**II.** After activating the account, **the online admission platform is accessed** to submit the competition files, completing the credentials declared when creating the account. (email address and stated password)

**III. Session selection.** The candidate chooses from the list the undergraduate session in which he/she wishes to enroll and assumes the statements on his/her own responsibility regarding the data completed on the platform. The declarations are viewed and checked by which the candidate assumes the correctness, completeness and conformity of the information declared online on the platform, plus the requirements imposed by the Admission Methodology. It is a mandatory step, without which the enrollment cannot continue. These statements will be associated with the candidate account. After checking and saving the declarations on his/her own responsibility, the system will open the window for selecting the faculties and study programs that enter the competition in the selected session.

**IV. Faculty and specialization selection.** The faculty and the study program, also the type of seat to be occupied. A faculty can have one or more study programs, establishing the hierarchy of options for the different study programs. If the candidate intends to apply to multiple faculties, he/she will have to submit a separate application for each faculty.

**V. Access the Online Registration Form** and complete the following data sets:

- a) **Personal data** such as last name, first name, father's/mother's first name, personal number, telephone number, email address.
- b) **Personal data regarding the permanent address, place of birth, date of birth, information about the identity document.** The application will not allow you to proceed to the next step if the identity document is not within the validity period.
- c) **Personal data regarding marital status and information about special situations** (orphan of one parent or both parents, from social housing, single-parent family, person with disabilities).
- d) **Enter information about completed high school studies and, where applicable, other university studies completed with or without a bachelor's degree. If the candidate has already started/completed a bachelor's degree program, he/she must submit a certificate showing the period of study, the form of financing, and the number of semesters in which he/she benefited from the scholarship.**
- e) **Choice of options.** The candidate will have to select the study program(s) he/she wishes to enroll in, and the competitive exam (if applicable), establishing the hierarchy of options for the different study programs.
- f) **Uploading specific documents.** At this step, the documents in electronic format (.pdf; .jpeg) with a maximum size of 3 Mb are uploaded to the platform.
- g) **Payment of the admission fee.** Payment is made online or the document justifying the payment of the fee is uploaded if the candidate has already chosen to pay by another payment method.
- h) **Completion of the personal liability statements undertaken by the candidate by individually checking and sending the file for validation by the admission commission.**
- i). **If the candidate intends to apply to several faculties, he/ she will have to submit a separate file for each faculty.**

**VI.** The status of the file at this moment is **File pending**, both from a financial point of view and from the documents attached to it. At this stage:

- **the candidate will be able to view, save and list the online registration form**, directly from his account, created on the online registration platform for admission;
- the candidate will receive at the email address declared when creating the account the **automatic confirmation** from the system regarding the reception of the file, as well as the online registration form, generated according to the format used in the application.
- from the moment the candidate has sent the electronic file for validation, the University, through the admission commissions, has access to the declared data in order to carry out the necessary checks for registration. The University will have access to the Integrated Information System of Education in Romania to validate those declared by the candidate.

**VII. Validation of the file.** The candidate will be notified both via the declared email and via the account in the application regarding the status of the file:

- if the file requires changes (e.g., a document is not readable) the candidate will receive a message stating the reason for the invalidation;
- if everything is in order and the file has been validated both financially and in terms of the uploaded documents, the candidate will be able to view, save and list the competition ID card, directly from the account created on the online admission platform or from the email received at the declared address.

(7) Persons who have completed the registration procedure acquire the status of candidates for admission. The status of **passed**, respectively the subsequent status of **student**, is acquired based on the selection, tie-breaking, and enrollment procedures specified in these Regulations, within the limit of the Numerus Clausus available for each specialization and form of education.

(8) Completing the Registration Form for the admission competition is equivalent to the recognition, by the candidates, of the fact that they are aware of the provisions of these Regulations and undertake to comply with them. Any subsequent appeal can only be related to these provisions or to the general criteria specific to the legal regulations. Appeals for oral, sports or artistic aptitude tests are not admitted.

## **Art. 12**

**The application file** for the candidate's admission will contain the following documents (sent in pdf or jpeg format and listed in the application):

- a. Registration form** (generated from the online registration application);
- b. Birth certificate**; foreign candidates will also submit a legalized translation of the birth certificate, in Romanian.
- c. Identity card**;
- d. Marriage license** (for married persons) or other document certifying the change of name, if applicable;
- e. Baccalaureate diploma or equivalent**. For the 2025-2026 promotion, the baccalaureate diploma or **graduation certificate** is valid;
- f. Transcript of records** accompanying the baccalaureate diploma or its equivalent;
- g. Proof of payment of the registration fee**;
- h.** medical certificate stating "clinically healthy", attesting that the person who is to enroll in studies does not suffer from contagious diseases or other conditions incompatible with the future profession, issued by the family physician and psychological opinion.
- i.** personal data sheet;
- j.** a digital photograph for the identification of the candidate

**The competition file will also contain other mandatory documents, as appropriate:**

- a. Bachelor's degree or equivalent and the diploma supplement/ transcript** in the case of candidates who have also graduated from other bachelor's academic studies;
- b. Certificate attesting that the person comes from the social protection system**, in the case of candidates who enroll in places intended for this category or are exempt from the registration fee;
- c. Death certificates of the parents**, in case the candidates mention the special situation: orphaned by one or both parents and not over 26 years old;
- d. The decision to classify the person as disabled**, for candidates exempt from the registration fee.
- e. Diploma awarding the prize**, in the case of high school graduates with a baccalaureate diploma, who have obtained distinctions at the Olympiads and who can be admitted without an admission competition, according to the provisions of this Regulation.

## **Art. 13**

For admission to bachelor's academic studies, citizens of the European Union Member States, of the States belonging to the European Economic Area, of the Swiss Confederation as well as third EU citizens will present the following documents upon registration:

- a. high school graduation diploma (baccalaureate), legalized translation, in Romanian, with a mandatory Hague apostille (for countries signatory to the Hague Convention);
- b. transcript of records related to the diploma of passing the baccalaureate exam
- c. transcripts related to high school years;
- d. birth certificate, copy/ legalized translation, in Romanian;
- e. language proficiency certificate attesting to knowledge of Romanian/ English/ French, as the case may be, of foreign candidates who wish to enroll in undergraduate university studies conducted in Romanian;
- f. a digital photograph for the identification of the candidate
- g. medical certificate and psychological opinion;
- h. copy of the identity card or passport/legalized translation, in Romanian;

#### **Art. 14**

After the conclusion of the enrollment period, the options, their order, as well as other information in the enrollment form cannot be modified. In justified exceptional cases, within 24 hours from the date of enrollment, the candidate has the opportunity to complete his/her enrollment file with other documents requested for the admission competition.

## **CHAPTER IV**

### **CENTRAL ADMISSION COMMISSION AND ADMISSION COMMISSIONS ON FACULTIES**

#### **Art. 15**

(1) In order to organize and conduct admission throughout the University, the Senate decides to establish the **Central Admissions Commission**, which will ensure the material and organizational conditions necessary for the normal conduct of admission, as well as supervise compliance with the provisions of the *Methodology*. The Central Commission is composed of: the Rector, the Vice-Rectors, the Head of the IT. Department, the Legal Counselor, and the Secretary-in-Chief of the University. The President of the Central Admissions Commission is the University Rector.

(2) The organization and conduct of admission to study programs are ensured by the **Faculty Admission Commissions**. Their structure and composition are established by the faculty councils and approved by the University Senate. They are responsible for strict compliance with the provisions of this Methodology and the legal provisions in the field.

(3) The Faculty Admission Commission is responsible for the existence in the application file of all the documents provided for in art.14.

(4) The Admission Commission checks the candidates' registration file in the ON-LINE ADMISSION application and validates/invalidates the file.

(5) The Admission Commission checks and validates the results of the admission competition.

(6) The Admission Commission checks the enrollment file of the admitted candidate, certifies the documents in the file in accordance with the originals. The members of the commission who will receive the files from the candidates will be responsible, jointly with the chairman of the commission, for the existence of all the documents in the file of the enrolled students. In the event that, during the registration procedure, there are suspicions regarding the legality of a document presented by an admitted candidate, the chairman of the commission will urgently notify the university management, in order to take the measures provided by law.

- (7) During the registration process of candidates, the admission commissions provide consultancy, counseling and support, at the request of the candidates.
- (8) The members of the evaluation commissions of the eliminatory tests will sign declarations of incompatibility and confidentiality regarding the personal data of the candidates
- (9) The duties of the appeals commissions at faculties level are the following: to register the eventual appeals and to solve them.
- (10) The commissions for admission to doctoral studies are formed by the PhD supervisor (rightly chairperson) who offered the seat for the PhD candidate for admission and, at least, two other experts (members) of the University who have at least the position of associate professor or scientific researcher of 2<sup>nd</sup> degree. The commissions for admission are proposed by the Council of the Doctoral School, endorsed by the Council for Doctoral Academic Studies and approved by the University Senate.

## **CHAPTER IV**

### **THE DEVELOPMENT OF THE ADMISSION COMPETITION FOR THE BACHELOR'S ACADEMIC STUDIES**

#### **Section 1. Verification and Grading of the Competition Tests**

##### **Art. 16**

The general average grade for Bachelor's academic studies cannot be lower than 5.00 (five) or than an equivalent minimal number of points.

##### **Art. 17**

(1) The admission to Bachelor's academic studies at the Faculty of Juridical Sciences, the Faculty of Economics, Computer Science and Engineering and at the Faculty of Social Sciences, Humanities and Physical Education and Sport, as well as at the Bachelor academic study program of Biology is carried out according to average grade of the Baccaureate exam (100%) within the approved Numerus Clausus for the academic year of 2026-2027. The admission for the Physical and Sport Education study program also comprises a physical test graded with passed/ failed.

(2) The candidates' ranking is made in descending order of the averages obtained in the admission exam and within the limit of the Numerus Clausus approved for each study program.

(3) For candidates with the same general averages, the ranking will be made in descending order of the general average of the high school years;

(4) The general averages/ general scores obtained by the candidates for admission are valid for establishing the ranking order only at the higher education institution which they applied to.

(5) For Bachelor's academic studies, third EU candidates are admitted by evaluating their academic performance and personal achievements, according to the evaluation grid **annex 1** – candidates from study programs within non-medical faculties and **annex 2** – candidates from study programs within medical faculties.

##### **Art. 18**

(1) Admission to Bachelor's academic studies in the field of Health is conducted as follows:

##### **Medicine**

admission exam- multiple choice test

##### **Medicine (in English)**

admission exam- multiple choice test

**Medicine (in French)**

admission exam- multiple choice test

**Dentistry**

admission exam- multiple choice test

**Pharmacy**

admission exam- multiple choice test

**General Nursing**

Average grade obtained in the baccalaureate exam

**Balneo-physio-kinesitherapy and Recovery**

Average grade obtained in the baccalaureate exam

**Dental Technology**

Average grade obtained in the baccalaureate exam

**Nutrition and Dietetics**

Average grade obtained in the baccalaureate exam

**Admission of third EU candidates to Bachelor's academic study programs in the field of Health is done by evaluating documents certifying the candidates' academic performance and personal achievements (Annex 2)**

(2) The candidates' ranking is performed in descending order of the grades obtained at the admission competition and within the margins of the approved Numerus Clausus for each study program.

(3) For the candidates at the study programs in the field of Health, with same general average grade, there are the following successively applied criteria for differentiating them:

- a. descending order of the Baccalaureate/ Bachelor's exam average grade;
- b. descending order of the general grade at Biology;
- c. descending order of the general grade at Chemistry;
- d. descending order of the general grade at Physics.

(4) The general averages/ general scores obtained by the candidates for admission are valid for establishing the ranking order only at the higher education institution which they applied to.

**Art. 19**

The subjects of the competition tests are established according to the topics published on the University website.

**Art. 20**

The criteria for verification and grading are set by each faculty considering the specificity of the field. The grading scales are published during the admission competition.

**Section 2. Competition Results****Art. 21**

The results of the admission competition are published at the premises of the faculties/ extensions and on the University website, according to the admission planning.

**Art. 22**

- (1) Any appeals will be submitted to the secretariat of the faculty for which he/ she passed the admission within two hours of the publication of the results.
- (2) The appeals results are informed on the same day.
- (3) No appeals are accepted based on the lack of knowledge of the admission methodology.
- (4) No appeals are accepted for the sports skills tests.
- (5) After the conclusion of the deadline for solving and for replying (by publishing them) to the appeals, the competition grade becomes final, and it can no longer be altered.
- (6) According to the academic autonomy, the “Vasile Goldiș” Western University of Arad is the only stance able to decide upon the appeals, according to its own regulations and to the applicable law.
- (7) The decision of the appeals commission is final, and it is to be communicated by posting on the website.

#### **Art. 23**

- (1) The publishing of the results obtained at the admission competition is carried out in stages, thus resulting in three types of lists:
  - a. provisory lists – with candidates’ hierarchy, resulted after the admission;
  - b. final lists – with candidates’ hierarchy, resulted after solving the appeals, comprising the final and indisputable results;
  - c. list of admitted candidates, confirmed by payment of the tuition fee.
- (2) The lists comprise the following categories of information:
  - a. the list of admitted candidates;
  - b. list of waiting candidates, for the candidates coming from third EU countries;
  - c. the list of rejected candidates, if applicable.

### **Section 3. Enrolment**

#### **Art. 24**

- (1) Until September 30, 2026, there takes place the enrolment of the admitted candidates who paid the tuition fee (entirely or partially, as decided by the Board of Directors for each study program) and who signed the contract of studies.
- (2) In order to enroll, the candidate declared admitted will submit the following documents to the faculty secretariat:
  - a. the baccalaureate diploma (or equivalent) in original or legalized copy, if the person in question has previously enrolled to another faculty, in this case submitting to the file a certificate certifying that the original baccalaureate diploma is at the respective faculty; candidates who passed the baccalaureate exam in the June-July 2026 session or in the August-September 2026 session can submit at the registration for the session following the baccalaureate exam, instead of the baccalaureate diploma a certificate issued by the high school, stating the average general grade from the baccalaureate and the average grades obtained during the high school years, at the end of each year of study, the term of validity and the mention of the fact that the baccalaureate diploma has not been issued
  - b. birth certificate;
  - c. medical certificate type M.S 18.1.1 and psychological opinion.
  - d. three photos format  $\frac{3}{4}$ ;
  - e. in original, the completed and signed contract of studies;
  - f. envelop folder

**(3)** In order to enroll, the citizens of the European Union Member States, of the states of the European Economic Area, of the Swiss Confederation, as well as other third EU foreign citizens are to submit upon registration the following documents:

- a. The high school graduation (Baccalaureate) diploma, in original and copy/ legalized translation into Romanian, being mandatory to have the Hague Apostil (for the countries signatory of the Hague Convention);
- b. The student's transcript of records attached to the diploma of graduation of the Baccalaureate exam, in original and copy/ legalized translation into Romanian;
- c. The birth certificate in original and copy/ legalized translation into Romanian;
- d. Language certificate certifying the knowledge of Romanian of the foreign candidates wishing to register to the Bachelor academic studies performed in Romanian;
- e. three photographs of format  $\frac{3}{4}$ ;
- f. Medical certificate, from where to result the holder's current state of health and personal record concerning chronic conditions, in Romanian and psychological opinion;
- g. Copy of the Identity card or of the passport/ legalized translation in Romanian;
- h. Contract of studies in original, completed and signed;
- i. An envelop folder to comprise all prior listed documents on paper printing.

**(4)** After enrolment, the final lists are produced and posted, with the candidates who are declared admitted and enrolled.

**(5)** The enrolment of the third EU countries candidates, declared admitted, is made 30 days since the reception of the acceptance letter issued by the ministry, after signing the contract of studies and paying entirely the 1<sup>st</sup> year of studies tuition fee, but no later than the last day of 1<sup>st</sup> semester, the students further taking a program for catching up with the teaching activities.

#### **Art. 25**

The enrolment of the admitted candidates, stated as such after the admission competition, is carried out by the "Vasile Goldiș" Western University of Arad Rector's decision. After enrolment approval, the students are registered in the Faculty Academic Record and in the students' management software, implemented at the University (UMS). Later on, by request to the Ministry of Education, and to UEFISCDI, the students are to be introduced in the Unique Academic Record (UAR) application.

## **CHAPTER V**

### **DEVELOPMENT OF THE ADMISSION COMPETITION FOR THE MASTER ACADEMIC STUDY PROGRAMS**

#### **Section 1. Candidates' Registration**

##### **Art. 26**

The Master academic studies provide the thorough knowledge in the field of Bachelor studies or in a related field, acquiring additional skills in other fields, as well as the development of the capacities of scientific research.

##### **Art. 27**

There may apply to Master academic studies graduates with Bachelor or equivalent diploma. For the Master academic study programs of 3 semesters (90 credit units), there may apply only graduates of the Bachelor academic studies of at least 4 years of studies (240 credit units).

**Art. 28**

(1) The candidates' registration is carried out online via the software made available by the University for all the Academic Master Study Programs.

(2) The University provides for the candidates the possibility to register online also from the Permanent Information and Admission Center as well as from the premises of the University branches.

**Art. 29**

(1) The registration to the admission competition is made with the identity card/ passport and the other documents stipulated in this regulation on the admission.

(2) For the admission to Master academic studies, the candidates are to fill in an application form, to which the following documents are attached:

- a. Baccalaureate diploma - copy;
- b. Bachelor diploma (or equivalent) - copy;
- c. the graduates who passed the Bachelor exam for 2026 may submit a certificate specifying the average grade at the Bachelor exam and the average grades for the study years instead of the diploma;
- d. the certificate of recognition of studies issued by the specialized directorate of the Romanian Ministry of Education and Research, in the case of citizens of the European Union member states, of the states belonging to the European Economic Area and of the Swiss Confederation. For candidates who have not obtained the certificate of recognition of studies, the university will send the documents to CNRED (except in cases where there are other provisions established by CNRED)
- e. the certificate of recognition of studies for Romanian citizens with a Bachelor degree or equivalent obtained in another country. For candidates who have not obtained the certificate of recognition of studies, the university will send the documents to CNRED (except in cases where there are other provisions established by CNRED)
- f. The student's transcript or the diploma supplement for the Bachelor program;
- g. Birth certificate - copy;
- h. Medical certificate type M.S. 18.1.1 and psychological opinion;
- i. A digital photograph for candidate's identification

The application also comprises the candidate's statement on the agreement for personal data collecting and processing, the reasons for their processing and the rights incumbent to the candidates when processing these data.

**Art. 30**

According to the Government Emergency Ordinance no 41/ 2016 on establishing some measures for simplification at the level of the central public administration and for modifying and completing some normative acts, there is removed from the structure of the competition file the requirement to submit legalized copies of the documents, but to replace them with the certification of the conformity with the original, given by the person/ persons in charge in this regard. As an exception, during the establishment of the state of alert, necessity, or urgency, based on university autonomy, online registration can be performed by the candidates uploading of the documents and undertaking the

responsibility on the authenticity and correspondence between digital / scanned copies and their respective original documents.

#### **Art. 31**

For the admission to Master academic studies, the citizens of the European Union Member States, of the states of the European Economic Area, of the Swiss Confederation, as well as other extra-Community foreign citizens are to submit, upon registration, the following documents:

- a. The high school graduation (Baccalaureate) diploma and the faculty graduation diploma, in original and copy/ legalized translation into Romanian, being mandatory to have the Hague Apostil (for the countries signatory of the Hague Convention); the student's transcript attached to the diploma of graduation of the Baccalaureate exam and of the Bachelor exam in copy/ legalized translation into Romanian;
- b. the certificate of recognition of studies issued by the specialized directorate of the Romanian Ministry of Education and Research, in the case of citizens of the European Union member states, of the states belonging to the European Economic Area and of the Swiss Confederation. For candidates who have not obtained the certificate of recognition of studies, the university will send the documents to CNRED (except in cases where there are other provisions established by CNRED)
- c. The birth certificate copy/ legalized translation into Romanian;
- d. Language certificate certifying the knowledge of Romanian of the foreign candidates wishing to register to the Bachelor academic studies performed in Romanian;
- e. one digital photograph for candidate's identification;
- f. Medical certificate and psychological opinion;
- g. Copy of the Identity card or of the passport/ legalized translation

#### **Art. 32**

After the conclusion of the registration time, the options, their order, as well as other information in the application form cannot be changed.

### **Section 2. Verification and Grading of the Competition Tests**

#### **Art. 33**

(1) The admission to the Master academic studies is performed based on the average grade of the Bachelor exam within the limit of the approved Numerus Clausus for the academic year of 2026 – 2027.

(2) The candidates' ranking is performed in the descending order of the achieved average grades. The general average grade for Master academic studies cannot be lower than 6.00 (six).

(3) The general average grades / the general scores acquired by the candidates upon admission are valid in order to establish the classification ranking only at the higher education institution where they have applied for.

(4) For the candidates with same general average grades, the distinction is to be made according to the following successive criteria:

- a. descending order of the general average grade of the study years in the faculty;
- b. descending order of the average grade of the Baccalaureate exam.

### **Section 3. Competition Results**

#### **Art. 34**

The competition results are made public by publishing them at the faculties premises and on the University website.

#### **Art. 34**

(1) The eventual appeals are sent to the e-mail of the secretariat faculty where he/ she enrolled for admission, within at most 2 hours starting with the date and hour of publishing the results of the admission, at the commission for appeals of each faculty.

(2) The appeals results are informed on the same day.

(3) No appeals are accepted if they are based on the lack of knowledge of the methodology for admission.

(4) After the end of the appeals solving and reply (by publishing the results) time, the result of the admission competition is final, and it can no longer be changed.

(5) According to the academic autonomy, the “Vasile Goldiș” Western University of Arad is the only institution able to decide on the appeals, according to its own regulations and to the applicable law.

(6) The decision of the commission for appeals is final.

#### **Art. 36**

(1) The publishing of the results obtained at the admission competition is carried out in stages, thus resulting in three types of lists:

a. provisory lists – with candidates’ hierarchy, resulted after the admission;

b. final lists – with candidates’ hierarchy, resulted after solving the appeals, comprising the final and indisputable results;

c. list of admitted candidates, confirmed by payment of the tuition fee.

(2) The contract of studies, completed and signed by the declared admitted candidates, can also be sent online, with the obligation to submit the original, until the beginning of the academic year.

(3) The lists comprise the following categories of information:

a. the list of admitted candidates;

b. list of waiting candidates, for the candidates coming from third EU countries;

c. the list of rejected candidates, if applicable.

### **Section 4. Enrolment**

#### **Art. 37**

(1) Until September 30, 2026, there is the enrolment of the admitted candidates, who paid the tuition fee (entirely or partially as decided by the Board of Directors, for each study program) and signed the contract of studies.

(2) In order to enroll, the candidate declared admitted will submit the following documents to the faculty secretariat:

a. the baccalaureate diploma copy

b. Bachelor diploma (or equivalent) in original or legalized copy; the graduates who passed the Bachelor exam for 2026 may submit a certificate specifying the average grade at the Bachelor exam and the average grades for the study years instead of the diploma;

- c. student's transcript or the diploma supplement for the Bachelor program - copy;
- d. birth certificate - copy;
- e. medical certificate type M.S 18.1.1 and psychological opinion.
- f. three photos format  $\frac{3}{4}$ ;
- g. contract of studies in original, completed and signed
- h. envelope folder;

**(3)** In order to enroll, the citizens of the European Union Member States, of the states of the European Economic Area, of the Swiss Confederation, as well as other third EU countries citizens are to submit upon registration the following documents:

- a. The high school graduation (Baccalaureate) and faculty diploma, in original and copy/ legalized translation into Romanian, being mandatory to have the Hague Apostil (for the countries signatory of the Hague Convention); the student's transcript attached to the diploma of graduation of the Baccalaureate and Bachelor exams in copy/ legalized translation in Romanian;
- b. The birth certificate in copy/ legalized translation into Romanian;
- c. Language certificate certifying the knowledge of Romanian of the foreign candidates wishing to register to the Bachelor academic studies instructed in Romanian;
- d. Medical certificate, from where to result the holder's current state of health and personal record concerning chronic conditions, respectively, in Romanian and psychological opinion;
- e. Copy of the Identity card or of the passport/ legalized translation in Romanian;
- f. 3 photographs of format  $\frac{3}{4}$ ;
- g. Contract of studies in original, completed and signed;
- h. A plastic folder.

**(4)** After enrolment, the final lists are produced and posted, with the candidates who are declared admitted and enrolled.

#### **Art. 38**

The enrolment of the admitted candidates, stated as such after the admission competition, is carried out by the decision of the "Vasile Goldiș" Western University of Arad Rector. After enrolment approval, the students are registered in the Faculty Academic Record and in the students' ml, implemented at the University (UMS). Later on, by request to the Ministry of Education, and to UEFISCDI, the students are to be introduced in the Unique Academic Record (UAR) application

## **CHAPTER VII**

### **DEVELOPMENT OF THE ADMISSION TO PSYCHO-PEDAGOGICAL TRAINING PROGRAMS (DPPD)**

#### **Art. 39**

**(1)** There may register for the admission competition for psycho-pedagogical training programs the students and graduates of academic studies wishing to get certification for the teaching profession and field corresponding to the Bachelor diploma, as stipulated by law.

**(2)** The students' admission in psycho-pedagogical training programs is carried out through a colloquium type of exam, on the date set in the exam planning.

The admission to psycho-pedagogical training programs is in the teaching language, same as the one which the psycho-pedagogical training program was accredited for.

**(3)** The candidate's file for registration to level I psycho-pedagogical training programs comprises, where applicable, the following:

**a)** personal identification documents, in copy, and the proof for changing the name if the name on the documents of studies is no longer the same as the one from the identity act;

**b)** student certificate released by the higher education institution where he/ she undertakes the study program in the specialization, if the respective institutions is different from the one organizing the psycho-pedagogical training program, if the person taking the psycho-pedagogical training program is student;

**c)** for the graduates, copy of the Bachelor diploma certified as "according to the original" by the institution organizing the training program;

**d)** the student transcript/ Bachelor diploma supplement or any other document of studies from where to result the academic path, in copy certified as "according to the original" by the institution organizing the training program;

**e)** the certificate of equivalence or recognition for the Bachelor diplomas obtained abroad by the citizens of Romania, of the European Union, of the European Economic Area and of the Swiss Confederation, based on which the admission is achieved, document issued by the National Center for Diplomas Recognition and Equivalence, in copy certified as "according to the original" by the institution organizing the training program;

**f)** letter of acceptance to studies for the third EU countries citizens requiring to register for the psycho-pedagogical training program as postgraduate courses. For these documents issuing, the steps stipulated by the applicable law are to be taken. The universities send the list with the citizens from third countries admitted to this program to the specialized directorates of the Ministry of Education and Research, according to the applicable law;

**g)** the language certificate of B1 level, issued by the accredited education institutions that organize the training course for learning Romanian, for the candidates to the psycho-pedagogical training programs taught in Romanian who do not submit documents of studies issued by education units/ institutions from Romania and abroad with teaching in Romanian;

**h)** the medical certificate to certify that the person to enroll to studies has no contagious diseases or other conditions that are incompatible with their future profession.

**(4)** The application file for registering to psycho-pedagogical training programs of level II comprises additionally to the documents from par. (3), the following:

**a)** the proof of graduating the psycho-pedagogical training program of level I or the achievement of the required for level I psycho-pedagogical training, according to the applicable law;

**b)** The Master diploma in the field of the Bachelor academic studies diploma, together with the student's transcript/ Master diploma supplement, both in copy certified as "according to the original" by the institution organizing the training program.

**c)** the certificate of equivalence or recognition for the Master diplomas obtained abroad by the citizens of Romania, of the European Union, of the European Economic Area and of the Swiss Confederation, based on which the admission is achieved, document issued by the National Center

for Diplomas Recognition and Equivalence, in copy certified as “according to the original” by the institution organizing the training program.

(5) For graduates who concluded psycho-pedagogical training programs in the European Union Member States, in the States signing the agreement on the European Economic Area or in the Swiss Confederation, the registration to the level II psycho-pedagogical training program, respectively to the completing study program by taking differences, of the level I/ II psycho-pedagogical training recognition in a higher education institution accredited in Romania is subject to the submission of the document on the recognition of the complete psycho-pedagogical training carried out abroad, on the assignment of credit units to the concluded psycho-pedagogical training programs or to the equivalence of the number of credit units for the concluded psycho-pedagogical training, issued by the Ministry of Education and Research, upon the proposition of the specialized Commission for Recognition.

(6) For students who, on the date of the approval of this methodology, are already enrolled in the psycho-pedagogical training programs, DPPD-UVVG will require for them to prove their language skills until the date of registration in order to take the graduation exam for each level of certification. Testing the language skills is to be made at one of the accredited educational institutions organizing the preparatory course for learning Romanian.

#### **Art. 40**

The requirement to submit legalized copies of the documents in the competition file is removed, replacing it with the certification of the conformity with the original, as certified by the person/s having attributions in this regard, according to the provisions of the Government Emergency Ordinance no. 41/2016 on establishing some measures for simplification in the central public administration and for amending some normative acts. As an exception, during the establishment of the state of alert, necessity or urgency, based on university autonomy, online registration can be performed by the candidates uploading of the documents and undertaking the responsibility on the authenticity and correspondence between digital / scanned copies and their respective original documents

#### **Art. 41**

In order to inform the candidates for the admission, at the University website, there will be posted information, recommendations, and useful instructions for candidates. The posted materials will inform the candidates of detail specifications regarding the organization of the admission competition, the number of places, the requirements for registration, the organization and development of the competition, and also the norms to be observed during the competition.

#### **Art. 42**

For the proper development and organization of the admission competition, the admission commissions are appointed by Rector’s decision, and their membership consists of: President, two exam instructors, and the secretary of the commission.

#### **Art. 43**

The admission commissions are directly liable for the organization and development of the admission competition.

#### **Art. 44**

The DPPD Director will carry out the training of the commissions and will check permanently the way they achieve their duties and assigned tasks.

#### **Art. 45**

(1) For the graduates, the registration to the psycho-pedagogical training program is carried out based on the Bachelor diploma.

(2) The graduates of the Bachelor academic studies who did not take the psycho-pedagogical training program during their academic studies may register to take the psycho-pedagogical training program as postgraduate courses.

**Art. 46**

The psycho-pedagogical training program delivered by DPPD is organized only as full-time education, including for the programs delivered as postgraduate courses.

**CHAPTER VII  
FINAL PROVISIONS**

**Art. 47**

The provisions of this Methodology are to be supplemented with eventual ulterior regulations of the Ministry of Education and Research and with the decisions to be approved by the University Senate.

**Art. 49**

This Methodology has been endorsed accordingly in the meeting of the Board of Directors of February 19, 2026, and approved by the Senate of the “Vasile Goldiș” Western University of Arad in its meeting of February 19, 2026.

**PRESIDENT OF THE SENATE,  
Prof. Neli Kinga OLAH, PhD**

**Endorsed by the COMMISSION FOR CODES,  
REGULATIONS AND LEGAL MATTERS,  
President,  
Assoc. Prof. Anca MOROSTEȘ**
