Career Counseling and Guidance Center

October-November 2021

Written by : Mihaela-Isabela Salomie, psychologist and Dinu Budileanu, vocational counselor

Activities carried out:

1. Specialized practice with students of the Faculty of Social Sciences, Humanities and Physical Education and Sports.

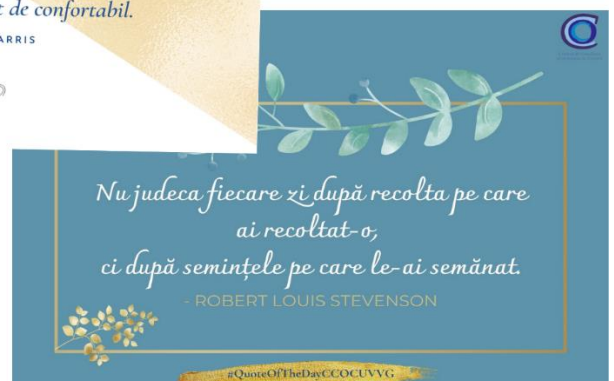

- 2 students, bachelor level, year II, Psychology specialization;
- 2 students, master's level, first year, specialization in Clinical Psychology and Psychotherapy.
- 1 student, master level, second year, specialization in Clinical Psychology and Psychotherapy.

The specialized practice includes the presentation of the CASS ++ test battery and the psycho -aptitude testing process. Depending on their level of knowledge they are given the following:

- Assessment of cognitive skills (eg general learning ability, numerical ability, verbal ability, etc.);
- Personality assessment and interests;
- Evaluation of emotions and behaviors;
- What a psychological evaluation report looks like.

2. Career counseling for psychology students (present for internship) in order to make correct and realistic decisions regarding the opportunities they have in terms of career path (access to the profession, information about the Romanian College of Psychologists, etc.);

3. Promoting the Career Counseling and Guidance Center through a series of motivational quotes on the Centre's Facebook page (UVVG Career Counseling and Guidance Center)

4. Making a leaflet in electronic format, disseminated among students, with information from the counseling center + roll-up

5. Update job offers / internships / trainee programs on the website www.uvvg.ro / jobs section
