## **QUALITY POLICY**

### **AT THE "VASILE GOLDIȘ" WESTERN UNIVERSITY OF ARAD**

The "Vasile Goldis" Western University of Arad, higher education institution accredited by the Law no. 240/2002, legal person of private law and community interest, part of the national education system, has as central objective of strategic management the asserting in the European Higher Education Area as university of national and European interest.

For this, to improve the activity at the University, a quality management system was implemented according to the requirements of the ISO 9001:2000 and ISO 9001:2008 standards.

As Rector of the "Vasile Goldis" Western University of Arad, I undertake:

- To provide the necessary resources for the development of an efficient system of education quality management;
- To provide for the required infrastructure;
- To provide for the knowledge and enforcement of a transparent quality policy in the institution;
- To provide for the continuous improvement of the ISO-9001 standards observance.

**RECTOR**

**Prof. CORALIA ADINA COTORACI, MD PhD**
